

Dear Father Christmas

I hope that you and your elves have been watching me this year as I have been trying to be very good.

I have written out a list of presents I would like. I know you won't be able to carry them all on your sleigh as you will have presents for everyone and that will be a lot, but perhaps you will be able to bring me one or two of them please.

I hope you and your reindeer have a safe journey.

Love from,
